

Eco-Step

#345

WIPER | LIGHT TRAFFIC

Eco-Step is our new green generation wiper mat carpet top made of 100% recycled P.E.T. Saves money by extending the life of flooring assets. It provides a green matting alternative to reduce the amount of dirt, dust, and pollen from entering the building. As a wiper, this mat will retain water minimizing the risk of slips and falls.

APPLICATIONS

For interior areas with light traffic - office buildings, small retail stores, banks, post offices, churches, and motels.

FEATURES

- Retains 20% more liquid and fine dirt than most standard mats.
- For best results and similar colors, use in combination with our Eco-Plus scraper/wiper
- ThermoFlex vinyl backing offers superior floor protection
- 100% recycled P.E.T. surface
