SCRAPER/WIPER | MEDIUM TRAFFIC ★★★★★

EcoPlus is our green generation recycled scraper/wiper mat that delivers excellent performance in medium traffic areas. Offers a green mat alternative that can contribute to obtaining LEED credits. As a performance scraper/wiper mat, this product prevents debris from traveling into the building. Nib backing design helps provide stability to the mat and eliminates curling.

## APPLICATIONS

For interior areas with medium traffic - universities, airports, hospitals, large retail stores, shopping malls, and schools.

## FEATURES

- Available in both fabric and rubber edging
- Crush-proof V-pattern will maintain appearance and performance
- Elevated construction will scrape shoes and hold dirt beneath shoe level, while wiping moisture
- Top surface is 100% recycled materials
