

Safewalk

#630 #635 #636

OILY/WET AREA

Crown's Safewalk is a sturdy mat that combines both drainage and durability through its robust square edges. Unlike other mats, this durable heavy-duty rubber mat is designed to last longer, providing you with an excellent return on investment. It also has anti-fatigue properties that prevent aches and pains from standing for extended periods, so you can work comfortably all day long.

APPLICATIONS

- wet areas
- industrial workstations
- food processing areas
- kitchens
- bars
- cafeterias

FEATURES

- Heavy-duty rubber with circular drain through holes
- Resilient rubber compound reduces the effects of fatigue
- Colored borders available for increased safety and identification
- Contain up to 40% recycled material
