

Workers-Delight Spark-Safe

#535

DRY AREA | ANTI-FATIGUE

Workers-Delight Spark Safe Anti-Fatigue Welding Mat improves workers safety and comfort in the workplace. Crown's patented Zedlan foam increases comfort by 50 percent compared to traditional mats. What's more, the spark-resistant rubber surface is specially formulated to repel sparks and hot metals, reducing the risk of fire. Our welding mat provides both anti-fatigue and slip resistance, making it the perfect choice for high-performance work areas.

APPLICATIONS

- heavy-duty dry areas
- machine shops
- assembly lines
- steel mills
- maintenance departments
- laboratories

FEATURES

- A durable anti-fatigue mat that repels sparks and hot metal shards
- Textured surface improves traction in dry areas
- Soft foam base provides excellent anti-fatigue relief
- The new slip-resistant coating on the underside of mat ensures steadiness and control on smooth surfaces
