

# Alleviator II

#466

DRY AREA MATS | ANTI-FATIGUE ★★★★★

Alleviator II is designed for standing comfort. This extra soft mat relieves fatigue without creating an unstable standing environment.

## APPLICATIONS

- dry areas
- factories
- cashier stations
- hotel service desk
- pharmacies
- assembly workstations

## FEATURES

- Exclusive Fusion Technology bonds two PVC foam solutions into one mat.
- Made with patented Zedlan anti-fatigue PVC foam
- Highly visible yellow safety bevels on all sides.
- Reduces fatigue for those working in a standing position by providing a balance of softness and support
- Relieves stress on knee, foot and ankle joint pressure points resulting from standing for long periods of time
