TRACTION

Crown's Comfort-King mats are designed to provide three times more resilience than regular mats. They offer anti-fatigue relief and alleviate stress on your knees, feet, ankle joints, and pressure points that arise from standing for long periods.

APPLICATIONS

- workstations
- finishing assembly
- stations cashier stations
- pharmacies hospitals
- care facilities
- veterinarians

FEATURES

- Made with patented Zedlan Anti-fatigue PVC Foam
- Anti-microbial additives to help prevent mold, mildew, and bacterial growth.
- Reduces fatigue for those working in a standing position by providing a balance of softness and support.
- Relieves stress on knee, foot and ankle joint pressure points resulting from standing for long periods of time
