

Comfort King Anti-Microbial #450

DRY AREAS | ANTI-MICROBIAL

Our Comfort King Anti-Microbial anti-fatigue mats help protect those who work in a standing position by providing a balance of softness and support. With Comfort King Anti Microbial mats, you'll work more comfortably and with greater efficiency as the Zedlan foam sponge absorbs shock and reduces impact on your feet, knees, hips and back. Each Comfort-King Anti-microbial anti-fatigue mat is produced with a anti-microbial agent.

APPLICATIONS

Provides a light duty solution for dry areas - veterinarians, hospitals, nursing homes, day care facilities and laboratories.

FEATURES

- Inhibits the growth of harmful micro-organisms
- An industrial grade anti-fatigue mat made of Zedlan foam specially formulated to give superior wear.
- Stimulates muscles and blood flow to reduce fatigue.
