

Diamond-Deluxe with Grit-Safe

#133

WET AREA MATS

Crown's Diamond-Deluxe with Grit-Safe is the perfect solution to minimize slips and falls at slippery workstations and corridors. This product will give you the best quality/price ratio.

APPLICATIONS

- oily areas
- oil changing pits
- factories
- steel mills
- garages
- outdoor entrances
- workstations
- auto repair

FEATURES

- The flow-through design leaves debris at the work station and reduces the transfer of dirt throughout the facility
- Offers a safe non-slip surface that reduces the risk of slips and falls
- The durable open loop design elevates workers and allows fluids to flow through, promoting a drier work surface
- Specially formulated oil-resistant vinyl adds slip resistance with impregnated grit
- Can be customized to fit your design needs
