

Grounding Cord

Anti-Static Mat Grounding Cord

ZA GC10

Our anti-static mat grounding cords connect electrostatic discharge and conductive anti-static mats to a facility's ground, such as an electrical outlet to help protect sensitive electronic equipment from damage due to electrical discharge.

APPLICATIONS

- Office
- Laboratories
- Industrial
- Dry work areas

FEATURES

- Snaps off and on
- Comes in 10' length
- Connects mat directly to common outlets
- Helps eliminate electric shock
- Easy to install

It is highly recommended to install one grounding cord for every 10' of matting.
