DRY AREA | ANTI-STATIC

Introducing Stat-Control by Crown: A High-Performing Anti-Static Mat

If you're looking for a reliable and effective way to protect your electronic components from static damage, look no further than Crown's Stat-Control. This mat features a smooth, conductive surface with foam backing that's perfect for both office and industrial settings. In addition to its static dissipative properties, Stat-Control also offers excellent anti-fatigue relief when standing. Keep your data and electronic equipment safe with Stat-Control.
