

# Workers Delight Foodmaster

#547

DRY AREA | ANTI-FATIGUE

Workers Delight Foodmaster is the only anti-microbial, anti-fatigue mat specially designed to meet the needs of a busy kitchen. It is formulated to resist the spillage of kitchen cooking elements. The anti-microbial properties are resistant to mold, bacteria growth, and mildew. The mat is backed with our Zedlan anti-fatigue foam to prevent aches & pains from extended standing.

## APPLICATIONS

- dry areas
- bakeries
- bars
- kitchens
- food prep stations
- hostess stations

## FEATURES

- For commercial applications in the food service preparation areas.
- Zedlan Foam outwears other foam products by nearly three to one.
- Specially formulated, durable surface resists occasional spills of food, sugar, fat, oil, and alcohol that is easy to clean.

## MAT SIZES
