

Yoga-Flex

#695

DRY AREA | ANTI-FATIGUE

Yoga-Flex is a classic bubble anti-fatigue top surface mat that effectively stimulates leg and calf muscle movement. Bubble surface stimulates muscles and blood flow to reduce fatigue. The densely textured surface guards against slips and falls. Rolls quickly for easy cleaning and maintenance. Affordable solution for small commercial locations.

APPLICATIONS

Provides a heavy-duty solution for dry areas - factories, work stations, finishing/assembly stations, and shipping/packaging areas.

FEATURES

- High/low bubble surface encourages micro-movement that reduce fatigue and muscle pain.
- Tough rubber bubbles won't collapse or break
- Interlocking system allows for an unlimited length of matting

MAT SIZE:

2' x 3'

Modular center 35" x 47" Modular end 35' x 47

Available to form custom mats of any desired length.
