

TECHNOLOGY SERVICES 2 & TECHNOLOGY SERVICES 3

WHAT'S NEW?

When does TS3 open?

Technology Services 2 is still ongoing - and is expected to close in Sept 2021. This means that TS3 is due to open for applications soon.

It's expected to open in **Summer 2020**, with a planned go-Live date of Jan 2021.

Direct Award

Technology Services 2 saw the roll-out of Direct Award to some of the Lots during it being Live. This started with Lot 3, but eventually was incorporated into Lot 1 and 2 as well.

Due to the success of this, TS3 is expected to have Direct Award too. So watch this space!

A change to the Lots...

Crown Commercial Services have been mulling over changing the Lot structure for Technology Services 3. This is to make sure it incorporates all the relevant services that buyers are looking for.

This means that **Lot 1 and Lot 2 is proposed to combine into one single Lot: Service Design & Consultancy**. As well as having CCS introduce a brand new Lot: Services Integration and Management.
