ASX Announcement

Elsight Appoints Raj Logaraj to Board of Directors

Elsight (ASX: ELS) (the "Company") is pleased to announce the appointment of Mr Raj Logaraj as a Non-Executive Director of the Company effective immediately. Dr Anton Uvarov will resign from the board to concentrate on his other commitments and the Board thanks him sincerely and wishes him well.

Mr Logaraj's career spans Law and Investment Banking. He has served on the Boards of public companies listed on the Australian Stock Exchange (ASX), Singapore Stock Exchange (SGX) and the Malaysian Stock Exchange (Bursa Malaysia), dealing with a diverse range of businesses including Agribusiness, FMCG, Uranium Mining, Medical Devices, Financial Services and on University Committees and Government Councils in Australia and overseas.

He practised Law as a Partner of a major law firm in Singapore following graduation with a LL B (Hons) degree from the National University of Singapore where he also taught Commercial Law part-time. He subsequently obtained a LL M degree from Sydney University majoring in International Tax and Public Company Finance and practised Law as an International Partner of Baker & McKenzie in Australia responsible for the development of its business in the ASEAN region, as Head of the Corporate & Commercial Group of the Australian offices and as Chair of its Business Development Committee before joining Turnbull & Partners (now Goldman Sachs Australia) as Executive Director. He then worked for Temasek Holdings in Singapore as a Board Director, President of the Financial Solutions Group of its Stockbroking unit and Chair of the Risk Management Committee.

Raj brings valuable experience and a wealth of connections from around the Indo Pacific region. In addition to his board duties, he will take a lead in developing new business opportunities for Elsight by leveraging on his strategic relationships

Commenting on his appointment, Raj said, "I am very excited to be joining Elsight at this time of its development. It has been a pleasure to work with the Company and several of its Directors. I am confident that the suite of solutions that the Company has in the Communications field particularly in relation to Fleet Management, Telemedicine and other areas requiring secure visual reach will be of great interest to Governments and Companies in the Indo Pacific."

"We are very pleased that Raj has joined the Board of Elsight," said Nir Gabay, CEO of Elsight. "His experience gained at each segment of his vast career will be of immense value to us, from board, legal and business development advice, to leveraging off his extensive network in the Indo Pacific region. We are also very grateful for Anton's significant contribution since he joined the Board in early 2017 and performed a leading role in the listing process."

About Elsight

Elsight (www.el-sight.com) is a solution provider of ground-breaking hybrid video and data transport services (on-the-move or fixed) for large Safe-City projects, sensitive facilities management, and surveillance and protective activities. The platform supports video capturing, recording, and highly secured transmission against video interception and hacking. *Elsight*'s platform was designed to address the most demanding requirements of Special Forces across enemy lines and sophisticated intelligence organizations. These systems underwent the most rigorous testing in combat situations as well as extensive testing by the most demanding laboratories. As a result, they present an unmatched level of reliability, lowest latency, and highest adaptive bandwidth over cellular networks that enables HD and 4K tv transmission quality, with "never-fail" redundancy and much more. For the first time they offer strict military requirements for civil usage. *Elsight*'s customers range from defence and homeland security, industrial security, broadcasting, first responders and healthcare.
