## INDEPENDENT AUDITOR'S REPORT

Board of Directors  
Presbyterian Apartments, Inc.  
Project No. 034511006  
Harrisburg, Pennsylvania

We have audited the accompanying statements of financial position of Presbyterian Apartments, Inc., Project No. 034511006, as of December 31, 2005 and 2004, and the related statements of activities, and cash flows for the years then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Presbyterian Apartments, Inc., as of December 31, 2005 and 2004, and the changes in its net assets and its cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated January 18, 2006, on our consideration of Presbyterian Apartments, Inc.'s internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of our audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

Our audits were performed for the purpose of forming an opinion on the basic financial statements of Presbyterian Apartments, Inc., taken as a whole. The accompanying supplementary information on pages 12 to 20 is presented for purposes of additional analysis and is not a required part of the basic financial statements of Presbyterian Apartments, Inc., Project No. 034SH006. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

**Note 1. Nature of Organization and Significant Accounting Policies**

Nature of Organization: Presbyterian Apartments, Inc., is a nonprofit organization located in Harrisburg, Pennsylvania. The Project contains 164 apartments, of which 29 receive subsidies under Section 8 Housing Assistance payments agreements with the U. S. Department of Housing and Urban Development (HUD). The Project's mortgage was originally financed under HUD Section 202 and renovations have been financed through the HUD Flexible Subsidy Program.

PHI another nonprofit corporation has approval rights for Board of Director appointments.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the use of estimates based on management's knowledge and experience. Due to their prospective nature, actual results could differ from those estimates.

Income Recognition: Rental revenue is recognized on the accrual method. Accordingly, revenue is recognized as earned, and expenses are recognized as incurred. A monthly housing assistance payment is received from the Department of Housing and Urban Development for leases to qualifying low-income tenants.

Accounts Receivable: Tenant receivables are carried at original rental amount less an estimate made for doubtful receivables based on management's review of all outstanding amounts on a regular basis. Management determines the allowance for doubtful accounts by regularly evaluating individual tenant receivables and considering a tenant's financial condition, credit history and current economic conditions. Management has not identified any tenant receivables at year-end that, based on the tenant's financial condition, credit history and current economic conditions, suggest a reserve would be appropriate. Tenant receivables are written off when deemed uncollectible. Recoveries of tenant receivables previously written off are recorded when received.

A tenant receivable is considered to be past due based on how payments are received compared to the tenant's payment history. Interest is not generally charged on trade receivables.

Property and Equipment: Fixed assets are stated at cost. Depreciation is provided on the straight-line method over the useful lives of the various assets; 20 to 40 years for buildings and improvements, and 5 to 10 years for furniture, machinery and equipment.

Income Taxes: The Organization is exempt from Federal income tax under Internal Revenue Code Section 501(c)(3).

Cash Equivalents: For purposes of the Statements of Cash Flows, the Organization considers all highly-liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.

Advertising Costs: The Organization expenses all advertising costs as incurred.

(A) These loans were made as part of the HUD flexible subsidy program. The flexible subsidy program provides funds for major repair and replacement expenditures. The terms of these loans are as follows:

- The entire principal balance is due upon the sale of the project building or upon full payment of the HUD mortgage.
- Other principal payments can be made only from surplus cash with the written permission of the District Housing Commissioner of HUD.
- Simple interest at the rate of 1% per annum is payable at the time of principal payments. Interest has accrued since the note's inception.
- Failure to keep the housing available.

(B) This mortgage payable as of December 31, 2005, represents a permanent building loan provided by HUD. The monthly installments of principal and interest are \$8,100. Interest is being charged at 3.0%. The mortgage note is secured by the apartment project.

**Note 3. HUD-Restricted Deposits and Funded Reserves**

Replacement Reserve

Under the regulatory agreement, the Project is required to set aside amounts for the replacement of property and other project expenditures approved by HUD. These deposits are held in separate accounts and generally are not available for operating purposes. The required monthly deposits were increased effective in 2005, from \$4,296 to \$4,451.

Residual Receipts Reserve

Funds deposited into the residual receipts reserve are determined annually and must be deposited after the end of each fiscal year. Use of these funds is contingent upon HUD's prior written approval. No payments were due for 2005 or 2004.

**Note 4. Rent Increases**

Under the regulatory agreement, the Project may not increase rents charged to tenants without prior HUD approval.

**Note 5. Related Party Transactions**

Some members of the Board of Directors of Presbyterian Apartments, Inc., are also officers of PHI. PHI is the management agent. Total fees to PHI were \$56,760 and \$53,113 for the years ended December 31, 2005 and 2004, respectively.

**Note 6. Concentrations of Credit Risk**

Financial instruments that potentially subject the Organization to concentrations of credit risk consist principally of temporary cash investments. The Organization places its temporary cash investments with various financial institutions, which provide \$100,000 of Federal Deposit Insurance Corporation (FDIC) insurance. From time to time the Organization's deposits exceed the FDIC insured amount.

**NOTES TO FINANCIAL STATEMENTS**

---

**Note 7. Unrestricted Net Deficit**

None of the Project's net deficit are subject to donor-imposed restrictions. Accordingly, all of the net deficit is accounted for as unrestricted net deficit under SFAS No. 117.

**Note 8. Retirement Plan**

The Organization participates in the PHI Defined Contribution Retirement Plan covering substantially all its employees. The Organization's contributions to the Plan are based on the eligible compensation of the employee. During 2005 and 2004, the Organization contributed \$2,404 and \$3,675 to the Plan, respectively.

**Note 9. Functional Allocation of Expenses**

Expenditures incurred in connection with the Project's operations have been summarized on a functional basis in the Statements of Activities.

**Note 10. Current Vulnerability due to Certain Concentrations**

The Project's sole asset is a 164 unit apartment project. The Project's operations are concentrated in the multifamily real estate market. In addition, the Project operates in a heavily regulated environment. The operations of the Project are subject to administrative directives, rules and regulations of federal, state and local regulatory agencies, including, but not limited to, HUD. Such administrative directives, rules and regulations are subject to change by an act of Congress or an administrative change mandated by HUD. Such changes may occur with little notice or inadequate funding to pay for the related cost, including the additional administrative burden, to comply with a change.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL  
OVER FINANCIAL REPORTING AND ON COMPLIANCE  
AND OTHER MATTERS BASED ON AN AUDIT OF  
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE  
WITH GOVERNMENT AUDITING STANDARDS**

Board of Directors  
Presbyterian Apartments, Inc.  
Project No. 034SH006  
Harrisburg, Pennsylvania

We have audited the financial statements of Presbyterian Apartments, Inc., Project No. 034SH006 as of and for the year ended December 31, 2005, and have issued our report thereon dated January 18, 2006. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

**Internal Control Over Financial Reporting**

In planning and performing our audit, we considered Presbyterian Apartments, Inc.'s internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving internal control over financial reporting and its operation that we consider to be material weaknesses.

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Presbyterian Apartments, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with these provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the Board of Directors, management and the federal awarding agencies and is not intended to be and should not be used by anyone other than these specified parties.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH  
REQUIREMENTS APPLICABLE TO THE MAJOR PROGRAM AND  
INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE  
WITH OMB CIRCULAR A-133**

Board of Directors  
Presbyterian Apartments, Inc.  
Project No. 034SH006  
Harrisburg, Pennsylvania

**Compliance**

We have audited the compliance of Presbyterian Apartments, Inc., with the types of compliance requirements described in the *U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement*, that are applicable to the major federal program for the year ended December 31, 2005. Presbyterian Apartments, Inc.'s major federal program is identified in the summary of auditor's results section of the accompanying Schedule of Findings and Questioned Costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to the major federal program is the responsibility of the Presbyterian Apartments, Inc.'s management. Our responsibility is to express an opinion on Presbyterian Apartments, Inc.'s compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audit of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Presbyterian Apartments, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on Presbyterian Apartments, Inc.'s compliance with those requirements.

In our opinion, Presbyterian Apartments, Inc., complied, in all material respects, with the requirements referred to above that are applicable to the major federal program for the year ended December 31, 2005.

### Internal Control Over Compliance

The management of Presbyterian Apartments, Inc., is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered Presbyterian Apartments, Inc.'s, internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133.

Our consideration of the internal control over compliance would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that noncompliance with applicable requirements of laws, regulations, contracts and grants that would be material in relation to a major federal program being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over compliance and its operation that we consider to be material weaknesses.

This report is intended solely for the information and use of the Board of Directors, management and federal awarding agencies and is not intended to be and should not be used by anyone other than these specified parties.
