PRESBYTERIAN
SENIOR LIVING

FACT SHEET

Our Mission: Guided by the life and teachings of Jesus, the mission of Presbyterian Senior Living is to provide compassionate, vibrant, and supportive communities and services to promote wholeness of body, mind and spirit.

A Brief History: Presbyterian Home of Central Pennsylvania originated in 1927 when Mrs. Ellen Parker donated her farmhouse near Newville, PA. One year later, The Parker Home opened as its first facility, providing care for 10 older women from Central Pennsylvania - the very first residents.

Today: Presbyterian Senior Living is dedicated to providing high-quality, affordable healthcare, housing, and retirement services to seniors in 30 locations in the mid-Atlantic region of Pennsylvania, Maryland, Ohio, and Delaware.

Services Provided: Throughout its system of care, Presbyterian Senior Living collectively provides independent living in apartments, villas, patio homes, and cottages; assisted living and personal care; short-term and long-term skilled nursing care; specialized Alzheimer's and dementia care; sub acute care; respite care; comprehensive rehabilitation therapy and adult day services. All services of Presbyterian Senior Living are available to individuals regardless of race, color, religion, creed, disability, ancestry, national origin, age or sex, in compliance with all local, state and federal laws.

Staff & Residents: Today more than 2,600 administrators; physicians; registered nurses; licensed nurse practitioners; nurse aides; physical, occupational and speech therapists; dieticians; and other staff provide care to more than 6,000 residents and clients throughout Presbyterian Senior Living and its affiliate organizations.

Volunteers: Presbyterian Senior Living volunteers donated over 112,000 hours of their time in 2016.

Caring in Action: No resident has ever been asked to leave our network of care because they outlived their resources. In 2016, the caring support of our contributors enabled Presbyterian Senior Living to provide more than $34 million in benevolent support.
