POLICIES

If you must cancel your appointment, contact the Spa at least 24 hours in advance to avoid being billed half the service price. Not all treatments are available every day of the week. Rates and hours may be subject to change without notice.

HOW TO MAKE THE MOST OF YOUR SPA VISIT~

- Arrive at least 10 minutes early, and if you like, ask to change into one of our warm, comfy robes. On your first visit you may be asked to complete a health intake form.
- Relax into the calming atmosphere of the Spa. All guests are asked to speak in a quiet tone and turn off cell phones as a courtesy to others.
- Drink an extra glass or two of water before and after services.
- Exercise first to be warmed up for your massage or skin treatment and to avoid damaging freshly pampered nails.
- Once alone in the treatment room, disrobe to your comfort level. Keep in mind that you'll be sheet-draped to protect your privacy and wearing less allows the therapist better access to the area being treated.
- Relax with a few deep breaths. Don't feel obligated to make conversation with your specialist; however, it is important to communicate any discomfort, special needs or questions.
- Enjoy your treatment and remember, the more often you receive services, the easier it is to let the tension melt away and feel revitalized from head to toe.

REMEMBER~

- Gratuities are not included in the price of service and are given at the discretion of the client.
- Wellness Center membership affords you a discount on Spa services.
- If you are interested in membership or would like a guided tour of our handsome 70,000-square-foot facility, we are happy to arrange a meeting with the appropriate staff person.
- You can give the gift of pampering and relaxation with an Oasis Spa gift card.

Visa and MasterCard are accepted.
