Please make sure you input under the correct Dyson products.

Checking Out (cot'd)

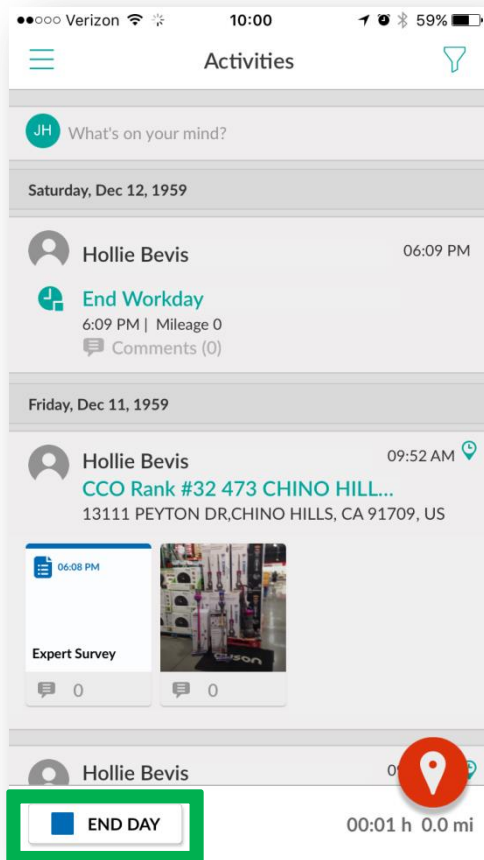

The screenshot shows a mobile app interface with a survey form. At the top, there are navigation buttons: '< New form', 'Expert Survey', and 'Done'. The survey question is '*How many products did you register?' with the answer '8'. Below this, there is a section titled 'HOW MANY CORD-FREE PRODUCTS DID YOU SELL?' with a list of products: 'V6 Cord-free', 'V6 Sli', 'V6 Motorhead', 'V6 Motorhead+', and 'V6 Motorhead Extra'. A dialog box titled 'Repsly' is overlaid on the form, asking 'What do you want to do with this form?'. It has two buttons: 'Cancel' and 'Submit'. A green arrow points from the 'Submit' button to a blue box at the bottom of the page.

5. Press "Submit"

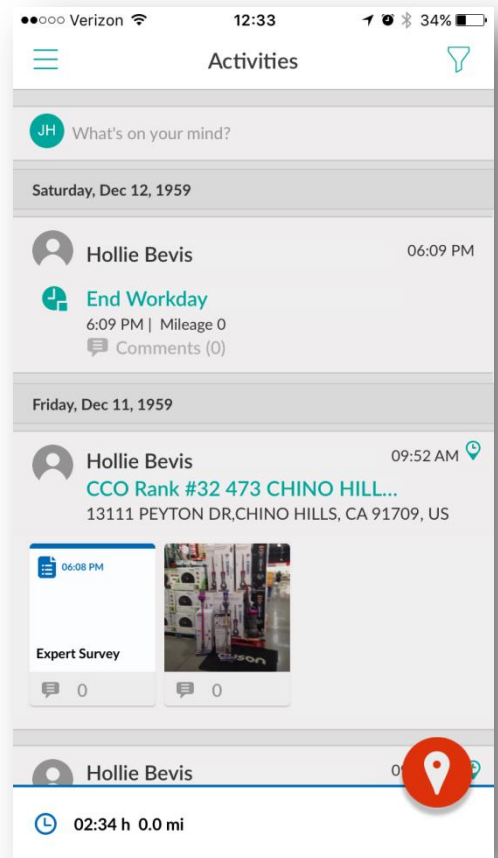

The screenshot shows a mobile app interface with a 'CHECK OUT' button in the top right corner. The button is red with white text. Below the button, there is a section titled 'CCO Rank #23 - 0000452 - SAN DIEGO CA' with the address '12350 CARMEL MOUNTAIN RD, SAN DIEGO CA 92128, US'. Below this, there are two buttons: 'SCHEDULE' and 'CONTACT'. Below these buttons, there is a section titled 'You are now checked in.' with the text 'Add a Photo, fill a Form, document your work.' Below this, there are four icons: 'Photo', 'Form', 'Note', and 'More'. Below these icons, there is a section titled 'Activity History' with a filter icon. Below this, there is a section titled 'Yesterday, Dec 11, 2016' with a list of activities: 'Jodi Wagner' at '09:59 AM 08h 18min'. A green arrow points from the 'CHECK OUT' button to a blue box at the bottom of the page.

6. Press "CHECK OUT"

Checking Out (cot'd)

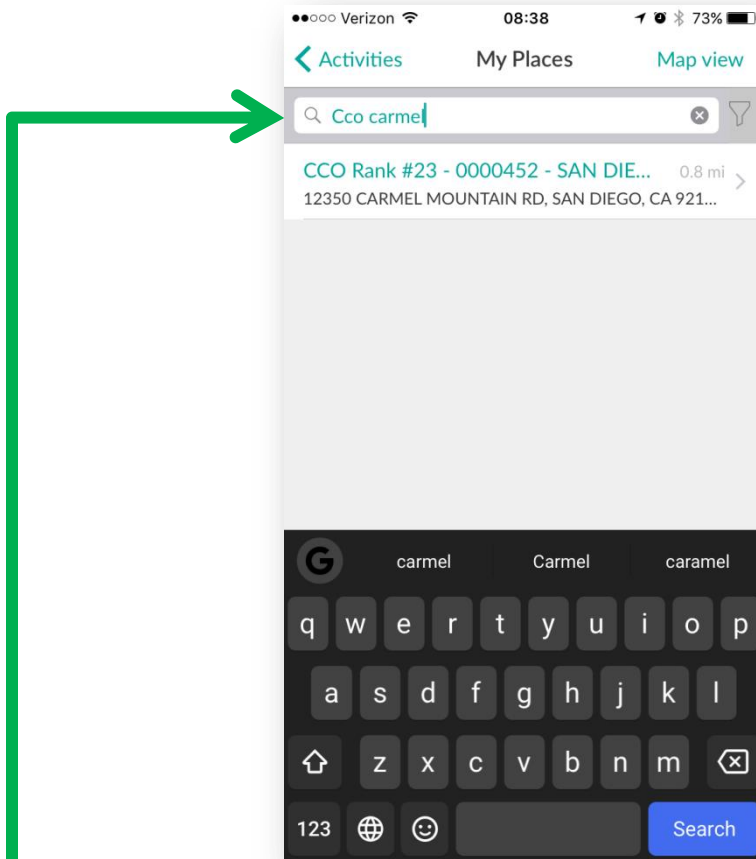

5. **Press**
"END DAY"

6. You have now
successfully submitted
your survey and
ended your day!

Troubleshooting

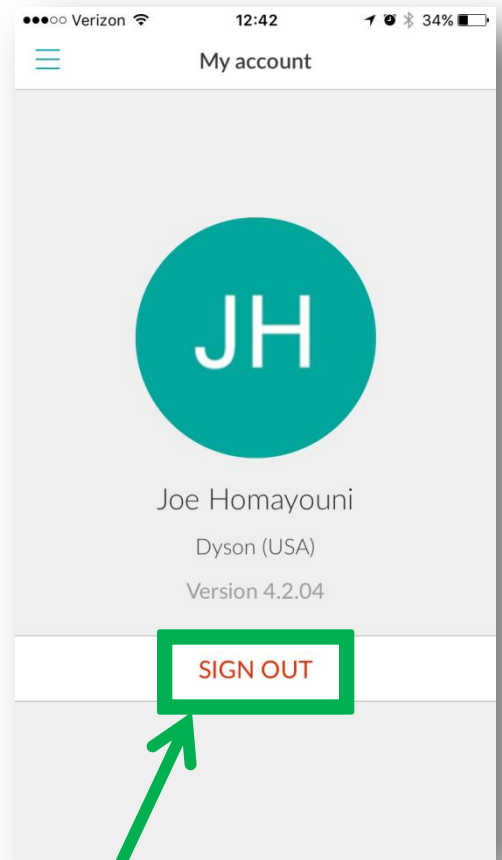

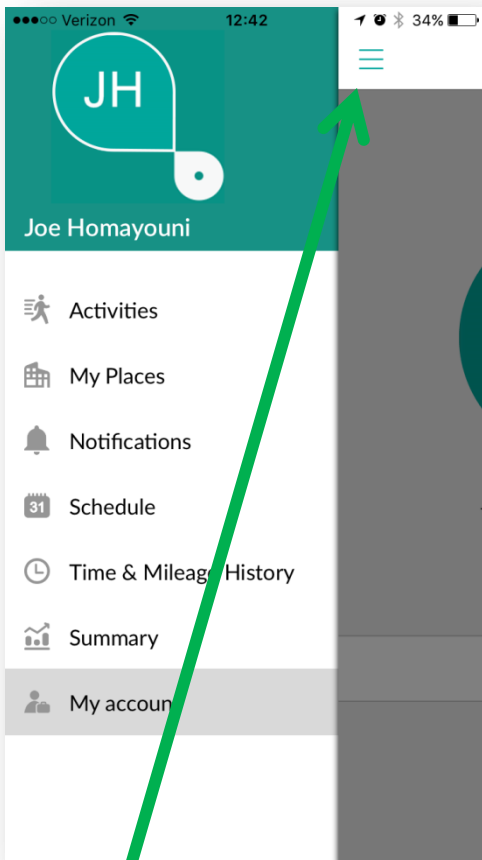

My GPS isn't finding a store near me:

- **Use** the search bar to type in your Retailer and part of the address.

Troubleshooting

My Repsly is running really slow:

1. **Press** the menu button
2. **Press** "My account"

3. **Press** "SIGN OUT"
4. *Restart your phone, and log back in.*
