

Distributor Price List

Overview about WingtraOne Bundle Options

1. WingtraOne Package

- + Every WingtraOne UAV is delivered with
- + 1x Tablet including ground control software WingtraPilot (for mission planning & inflight monitoring), remote control and telemetry module
- + 1x Charging station, 2x Sets of batteries
- + 1x Carrying sleeve, 1x Carrying case(s) for accessories including basic spare parts (1 pair propeller, 1 pitot tube).
- + Free online support and live chat

2. Choose Camera

Sony QX1

20 Megapixel APS-C Sensor
GSD 1.4 - 25cm/px
GSD 0.6 - 9.8in/px

Sony RX1R II

42 Megapixel Full Frame Sensor
GSD 0.7 - 25cm/px
GSD 0.28 - 9.8in/px

Micasense Rededge-MX

Custom Multispectral Sensor
GSD 6.7 - 50cm/px
GSD 2.6 - 19.7in/px

3. Add PPK

Post Processed Kinematics GNSS Module

Achieves 1 - 3cm absolute accuracy

Wingtra engineered workflow for post-processing of data made in Switzerland

4. Add Pix4D one device licence

Market leading drone image post-processing software

Pix4Dmapper Pro Licence non-limited in time

12 months of support and upgrades included

Software can be used on 1 device at a time, licence key provided by Wingtra to end user

Group	SKU	Name	Description	List Price USD	Discount Code
Wing Only	WIN-EMP-EXH	Wing Empty Exhibition	No pilotbox No hardcase (but can be purchased separately) No exhibition stand (but can be purchased separately) Includes servos, motors, propellers, electronics cover, distance sensor, pitot, covers No payload, no PPK No batteries Eplate and all electronics in e-belly are not needed. Hardware / electronics does not need to be fit for flying or work, but should optically be good to present the plane to customers Include payload base plate (orange part) and printed lens mockup Include soft bag. Include 1 middle stand.	3,500	-
Payload	PPK-ADD	PPK Upgrade Kit	1x PPK high precision GPS receiver module 1x PPK high precision antenna module 1x Composite top cover compatible with PPK antenna 1x WingtraHub software (for PPK postprocessing and geotagging of images using RINEX files, requires Windows computer) 1 x License Activation USB Stick 1 x PPK License Dongle 1x PPK case Can be installed with WingtraOne packages released after March 2018	6,000	F
Payload	RX1-ADD	RX1 Payload Kit	1 payload block consisting of: 1 x RX1R11 camera 1 x 128GB SD card 90Mb/s write 1 x RX1R11 dummy battery 1 x Composite Camera Cover 1 x Herex Plate 1 x Camera mount 4 x M3x8 Screws 4 x Black Rubber Balls 1 x Battery Eliminator Circuit Board 1 x Torx Screw Driver T10 1 x RX1R11 camera battery 1 x RX1R11 camera battery charger 1x camera case Can be installed on all WingtraOne Packages after shipped after March 2018	7,000	F
Payload	QX1-ADD	QX1 Payload Kit	1 payload block consisting of: 1 x QX1 camera with customized settings 1 x Lens Sony 20mm F/2.8 1 x Battery Eliminator Circuit Board 1 x 64GB SD card, 60MB/s write speed 1 x QX1 dummy battery, labelled 1 x Composite Camera Cover 1 x Camera Mount 1 x Damping element set 4 x M3x8 Screws 1x camera case	2,200	F
Payload	RE-ADD	RedEdge Payload Kit	1 payload block consisting of: 1 x RedEdge-MX camera and sunlight sensor 1 x SD card (tbd) 1 x Standalone GPS for RedEdge-MX 1 x Composite Camera Cover 1 x Composite top cover compatible with sunlight sensor 1 x Camera Mount 1 x Reflectance panel for calibration 1 x Damping element set 1x Camera case	6,900	F
Accessory	CASE-RGB	Case for Sony Camera payload (RX1 or QX1)	Case with inlay for Sony Camera payload (RX1 or QX1)	120	F
Accessory	CASE-RE	Case for Micasense RedEdge-MX payload	Case with inlay for RE-MX payload	120	F
Accessory	CASE-PPK	Case for PPK payload	Case with inlay for PPK payload	120	F
Accessory	QX1-L15	15mm Voigtlander Lens	Voigtlander Super Wide Heliar 15mm	1,100	E
Accessory	HC	Hardcase	Travel Hard Case for WingtraOne	990	E
Accessory	BAT	Set of Flight Batteries	2 x 4S3P batteries, total of 7500mAh	450	E
Accessory	TAB	Tablet only	1x Samsung Tablet with WingtraPilot and Manual 1x USB to USB C cable 1x Charger	720	E
Accessory	TAB-BAT	Tablet Spare Battery and Charger	Charger and spare battery for the WingtraOne tablet	250	E

Group	SKU	Name	Description	List Price USD	Discount Code
Accessory	EPS	Exhibition Plane Stand	Metal stand with a wingtra middle stand to exhibit Wingtra planes	130	-
Accessory	TOO	Toolkit for Repairs	Toolkit for wingtra repairs at distributor including high-end torque wrench	250	E
Accessory	CHA	Charger for Wingtra batteries	Additional Charger for WingtraOne batteries	250	E
Accessory	RCL	Remote Control	Additional Remote Control (includes battery)	260	E
Accessory	SD-RX1	128GB high-speed SD card	128GB high-speed micro SD card including adapter (Write / Read speed upto 90MB/s)	60	E
Accessory	SD-RE	Additional SD-Card for RedEdge		60	
Accessory	NOSE	Nose Cover	Magnetic Nose Cover	120	E
Accessory	PPK- TOPCOVER	Topcover for PPK module		100	E
Accessory	PPK-DONGLE	Additional or replacement PPK dongle (grey)		500	E
Accessory	HAP	High Altitude Propeller (pair)	Pair of High Altitude Propellers	300	E
Replacement Parts	PRO-V2	Propeller (pair)	Pair of propellers for v2	65	E
Replacement Parts	PIT	Pitot Tube	Metal pitot tube, with mount and screws	30	E
Replacement Parts	MTR	Motor Assembly Red	Drive-train: red side	175	E
Replacement Parts	MTG	Motor Assembly Green	Drive-train: green side	175	E
Replacement Parts	SST	Side Stands (pair)	Side Stands (pair)	60	E
Replacement Parts	MST	Middle Stand	One middle stand, composite structure	300	E
Replacement Parts	RPPK	Replacement PPK	1 x PPK module including antenna	4,500	E
Replacement Parts	PRO-NUT	Pair of propeller nuts and washers		50	-
Replacement Parts	SCR-M3	5 sets of M3x12 screws and washers (for PPK and e-cover)		10	-
Replacement Parts	CAB-BAT	2 Smart battery cables		10	-
Replacement Parts	FEM-PPK	PPK push-to-release female part		10	-
Replacement Parts	GLU-SET	Glue set		50	-
Replacement Parts	SPA-PAR	Small spart parts: 5x PRO-NUT, 5x SCR-M3, 5x CAB-BAT, 5x FEM-PPK, 1x GLU-SET		390	-
Pix4D standalone license	Pix4Dmapper-PL	Pix4Dmapper Pro - Perpetual Licence	Non-limited in time Support & Upgrades included for free for the first year from purchase date, optional from second year Software can run on 1 device at the same time, unless otherwise stated in the Licence Certificate	4,990	F
Pix4D standalone license	Pix4Dmapper-YL	Pix4Dmapper Pro - Yearly Subscription	Licence valid for 12 months from first activation Support & Upgrades included for 12 months Software can run on 2 devices, unless otherwise stated in the Licence Certificate	3,500	F
