TRAINING GUIDE

Access Registration Form

Required for Access to Online Course Materials

Instructions:

To register your Access Code go to www.caminstructor.com/student-registration

1. Type the **Redemption Code** (see below) into the Redemption Code* space. Click Continue.
2. **camInstructor Videos** has been selected as your **Institution** and you can select **Online Videos** as your **Instructor**.
3. Fill in the required information on the Check-Out Information page. **NOTE, be sure to enter an accurate email address or you will not receive your username and password.**
4. Click on **COMPLETE PURCHASE**.
5. Your username and password will be emailed to the email address you listed in the Check-Out page, unless you are already registered on the camInstructor Course site in which case the online course will be added to your existing username and password.

To download the Mastercam HLE Software and/or the CNC Simulation Software

1. Log into the CamInstructor course site at www.caminstructor.com (after you receive your username and password)
2. Click on **Select a Category** and then select your Mastercam Version or CNC Programming.
3. Select the course from the list.
4. Click on **Course Intro**.
5. The link to download the Software will be under "**What you need to complete this course**"
