

camInstructor Certification Program for Mastercam

Self Learners Edition

Requirements for Individuals

- Individuals must be enrolled in a camInstructor online Mastercam course.

Individuals taking the Certification Test

1. Certificates issued to self learners will indicate that the test was written without a proctor and therefore is valid based on the honesty of the learner.
2. For people wanting a Certificate without this waiver, an application must be submitted and a proctor must be in attendance while the test is being written.
3. Test is taken online at the convenience of the individual and proctor(if applicable)
4. Proctor submits Proctor Affidavit once test is complete. Once received, the test will be marked.
5. Individuals needing Mastercam Training:
 - a. camInstructor Premium bundle - \$950
 - b. Mastercam Premium bundle - \$575
 - c. Individual online courses - \$275
6. Once the individual completes and passes the test (mark of 70 or over) they will be issued a Mastercam Certificate.

Costs
