

Health Sciences Community

Are you a Nursing, Athletic Training
or Biology major?!

Come live in our intentional
community in LLC 3!

The Health Sciences Community is for sophomores who identify in the following intending majors*: Nursing, Athletic Training, Biology or Pre-Med; seeking to enrich their college experience through career exploration, academic excellence, social and emotional development. Your Resident Assistant will be in one of these majors and will provide specific programmatic experiences related to your field of study and desired career.

*Applicants can pull in friends who are not Nursing, Athletic Training, Biology or Pre-Med

Application due by Friday, March 31st

Cumulative GPA requirement: 2.5
