

RECOMMENDATION FOR ADMITTANCE TO TEACHER EDUCATION PROGRAM

_____ has applied for admittance to the program of professional teacher preparation at Neumann University. This program is bound by Pennsylvania law that mandates students seeking admission to this program have:

(1) earned 48 college level credits (with 6 of these credits in Math, 3 in English composition, and 3 in literature), and

(2) earned a minimum cumulative grade point average of 3.00.

In addition, candidates are to exhibit the **disposition** and **emotional maturity** required of individuals in the teaching profession. This can be measured by indicators such as **one's approach to class work and assignments, ability to collaborate with others, ability to solve problems**, and how well a student demonstrates qualities such as **cooperation, dependability, initiative, and self-reliance**.

Please complete the following and **return to the Division of Education and Human Services (Office 338 Bachmann)**. **No decision can be made on the above candidate until this information is received.** Thank you for your help!
