

Faithful Citizenship: A Matter of Conscience

Led by a panel of faculty and staff members

In preparation for Election Day 2012,
we invite everyone to take time to reflect upon the connection
between faith and issues such as war and peace, the economy, the
common good, global solidarity, and the sanctity of human life.

Are you interested in discussing the
connection between values and voting?

Join in this opportunity for conversation!

**Monday, October 22, 2012,
