Online Registration & RSVP landing pages	Attendee Verification and Pre-Approval management	Confirmation and Reminder Emails with calendar sync
Live, Moderated Q&A with Online Polls and chat	Multiple Panelists and Speakers across physical locations	Hands-on Support and personal account management

¹ Human generated transcription available in select languages

FAQs

What is Smartkarma?

Smartkarma is the Global Investment Research Network that unites Institutional Investors, Insight Providers, Issuers, Global Financial Institutions, and Exchanges.

Institutional investors on the network include top investment banks, reputable asset managers, pension funds, sovereign wealth funds, fund managers and family offices.

Smartkarma's shareholders include Sequoia Capital, Singapore Exchange (SGX), and Enterprise Singapore.

What is Smartkarma Corporate Solutions?

Corporate Solutions is for your company's C-Suite, IR, and corporate communications professionals. It provides you access to a host of tools to promote your company, target and connect with global institutional investors and leading analysts, and view analytics. It also displays investor interest in your company and which analysts might be relevant for you to reach out to, to seek independent research coverage.

Over 200 Issuers are using Corporate Solutions across 14 markets.

How much does it cost?
