

SLEEVES COLLECTION

TRED™ FLEX SLEEVE

The **Tred™ Flex Sleeve** is a protective case solution that has the ability to adapt and adjust to most device sizes and thicknesses while still maintaining a snug device fit. The sleeve's combination of shape and padding from all sides protect against drops of up to 4 feet. One swift pull on the PU tab enables easy access to the device inside the sleeve. Features a handle for carry and a removable pouch for small accessories or device charger. It is able to be packed flat for transport or storage when not in use.
