

EDGE™ CLICK-CONNECT KEYBOARD CASE

The **Edge™ Click Connect Keyboard Case** is designed for use with iPads. It's loaded with K-12 friendly features including a tuck-away rugged MFI keyboard with magnetic connection and reinforced Crumple Zone™ corners which allow it to survive falls from up to four feet, exceeding military standard MIL-STD-810G. Its translucent back allows barcode scanning for easy asset management, and the case can be assembled in 45 seconds or less. The break-away kickstand easily transposes into three viewing angles. It's Apple Pencil/Logitech Crayon and charge cart compatible.
