VERISK HEALTH NAMES DR. EMAD RIZK CEO AND BOARD DIRECTOR

Healthcare Industry and Payer Veteran Brings Strong Track Record of Driving Innovation and Improved Customer Outcomes

Waltham, MA, August 15, 2016 — Verisk Health, a leader in data-driven healthcare solutions, today announced that Dr. Emad Rizk has been named Chief Executive Officer (CEO).

Dr. Emad Rizk is a seasoned and renowned healthcare industry senior executive with over 25 years of experience working closely with Payers and Government entities. Dr. Rizk joins Verisk Health from Accretive Health, Inc. where he served as CEO and as a member of its Board of Directors. Prior to Accretive Health, he was President at McKesson Health Solutions, a business that provides clinical and financial solutions to most of the Healthcare Payers. He is also a regular lecturer at Wharton, Harvard, MIT, Columbia, and Kellogg.

“Dr. Emad Rizk has a long and successful track record in the healthcare industry with relevant Payer experience leading businesses like Verisk Health. He shares our vision of delivering the strongest value proposition to customers through innovation and outstanding service. We are confident in his ability to drive the Company forward as we move into a new chapter as a standalone business focused on proprietary data analytics in key vertical markets,” said Ramzi Musallam, CEO and Managing Partner at Veritas Capital, which owns Verisk Health.

Dr. Emad Rizk stated, “I am honored by the opportunity to serve as CEO of this exceptional analytics company. Verisk Health is one of the most respected analytics organizations in the healthcare industry. As commercial Payers and Government entities explore ways to improve performance and lower costs, I believe Verisk Health is well positioned to be their partner of choice. I look forward to leveraging my Payer experience and working closely with our talented team and valued partners at Veritas Capital to maintain the company’s strong culture and momentum. We are a high growth organization committed to solidifying our identity and leadership as a standalone company and to advancing and innovating our data services, analytics, and technologies for the benefit of all our customers.”
