

# PERSONAL TAX SAVINGS REPORT

## REPORT COMPILED FOR:

**Business ABCXYZ**

CustomCare recognizes the challenges small businesses face when trying to choose the right employee health benefits program.

A Health Spending Account (HSA) allows you to build a benefits program that works for your small business needs and the needs of your employees.

### SIMPLE

With our online setup, you can set benefit limits and enroll your employees quick and easy. With our app, claims can be submitted within seconds!

### AFFORDABLE

Don't puzzle over rising premiums. With our HSA, you have complete control of the costs.

### FLEXIBLE

Empowers your employees to spend their healthcare dollars on what is most important to them and their families.
