

#### Who is Eligible?

Only CustomCare plan holders and their employees are eligible for Travel and Major Medical Insurance.

# Do I Need Major Medical Insurance?

Your CustomCare plan is a very tax-efficient way to be reimbursed for every day medical expenses incurred but the expense of a large unforeseen accident, sickness or disease may be daunting. Major Medical Insurance acts as a "stop-loss" against these large unforeseen expenses that your business may not be able to comfortably budget for.

#### WHY BUY ANNUAL TRAVEL COVERAGE?

If you take more than one trip per year the cost of annual travel insurance is usually cheaper than buying separate policies for each trip. Many people also like the convenience of knowing that they always have the protection in place rather than trying to remember to buy insurance prior to each trip.
