

## Non-Profit LMS Pricing

Knowledge Anywhere would like to extend our eLearning offerings to non-profit organizations, with an across-the-board, 10% discount on our [Learning Management System \(LMS\)](#). Please view the below tiers, which vary by number of active users, number of administrators, and number of course uploads.

Professional and Enterprise Tiers come with a FREE [Scormify](#) subscription; a tool that allows you to instantly convert online training documents, videos, and PowerPoints into SCORM-compliant, eLearning material.
