

PMA sends a clear message to our employees that we not only value them as an employee, but also their families and lives outside of work. PMA supports these values by offering a comprehensive array of benefits, employee-friendly policies and support for the everyday needs of employees from assisting with life issues, supporting community involvement and offering education and career development opportunities. The leadership of our organization values and respects the contributions our employees make to PMA's success, and recognizes that value through continued investment in programs and practices that make PMA Companies a great place to work.

“PMA was founded on October 29, 1915 and we are proud of our history of providing property/casualty insurance for more than 100 years. We have a long and successful history, and our performance-based culture, that links accountability for business results to our individual actions and behaviors, is key to our success. As employees, we demonstrate on a daily basis to our clients and to our brokers and agents (our key business partners) that PMA’s success is due to passionate, focused execution.”

- Vincent T. Donnelly
