

WE ARE NOW HIRING!

COMMERCIAL LEGAL COUNSEL

ABOUT PROTECHT:

Our mission is to assist our client's in the achievement of their objectives through better risk-based decision making.

We are a leader in the delivery of risk management training, advisory services and enterprise risk management software (Protecht.ERM) and have been operating since 1999 in Australia and New Zealand. We are used by some of the most recognised corporate brands and government agencies in Australia.

As a working culture, we are agile and promote personal accountability. We care about our people and encourage an open and collaborative working environment. We respect each other's skills, differences and are committed to diversity and inclusion.

ABOUT THE ROLE:

Protecht is seeking Commercial Legal Counsel to support the established sales team in the execution of our Client Agreements.

This role would suit someone who is happy to work in an ad hoc basis, utilising their existing skills to oversee a diverse range of individual client agreements in an agile environment across our Protecht.ERM client base. The role would suit someone who is looking for casual work amounting to approximately 4 to 5 Agreements a month. The role requires both strategic and detailed analysis of client agreements; helping the achievement of both Protecht and client objectives for a symbiotic outcome.

The role is accountable to the Director of Sales and Marketing and the ability to work in a small team and an excellent ability to communicate and manage internal stakeholder and solutions team member expectations is essential.

KEY ACCOUNTABILITIES:

The primary aim of this role is to manage the Client Agreements and ensure Protecht is legally sound. We see this role as providing value by simplifying the process, not adding to it.

- Work directly with and support the Sales team in the execution of the Client Agreements.
- Extract, analyse and interpret current requirements into future states and provide supporting documentation for the proposed practices.
- Interact with the Sales team on a regular basis.

YOU MUST HAVE:

- Bachelors Degree in Law with current practicing certification.
- Business or Economics Degree.
- Extensive previous experience in commercial law.
- A love of technology based solutions.
- The ability to deliver high quality solutions and think outside the box.
- Outstanding communication and interpersonal skills.
- Have excellent English language and grammar skills.

YOU MUST:

- An Australian citizen or have a demonstrated right to live and work permanently in Australia.
- Passionate about problem solving and commercial law.
- Committed to quality and continuous improvement with an attention to detail.
- An excellent communicator.

IT WOULD BE GREAT IF YOU ALSO HAD:

Similar experience or interest in Risk Management.

THE INTERVIEW PROCESS:

We are looking for an immediate start date but more importantly, we are looking for the right person.
