

ELD Compliance Simplified

Everything you need to be ELD compliant in one affordable, user-friendly solution.

The CyntrX FMCSA-Certified ELD Solution

User-Friendly Mobile App

Installs on any smartphone or tablet (iOS and Android supported) and is set up in minutes.

Full-Featured Fleet Management Suite

Create, view, edit, sign, print and email driver logs and DVIR inspection reports from any device.

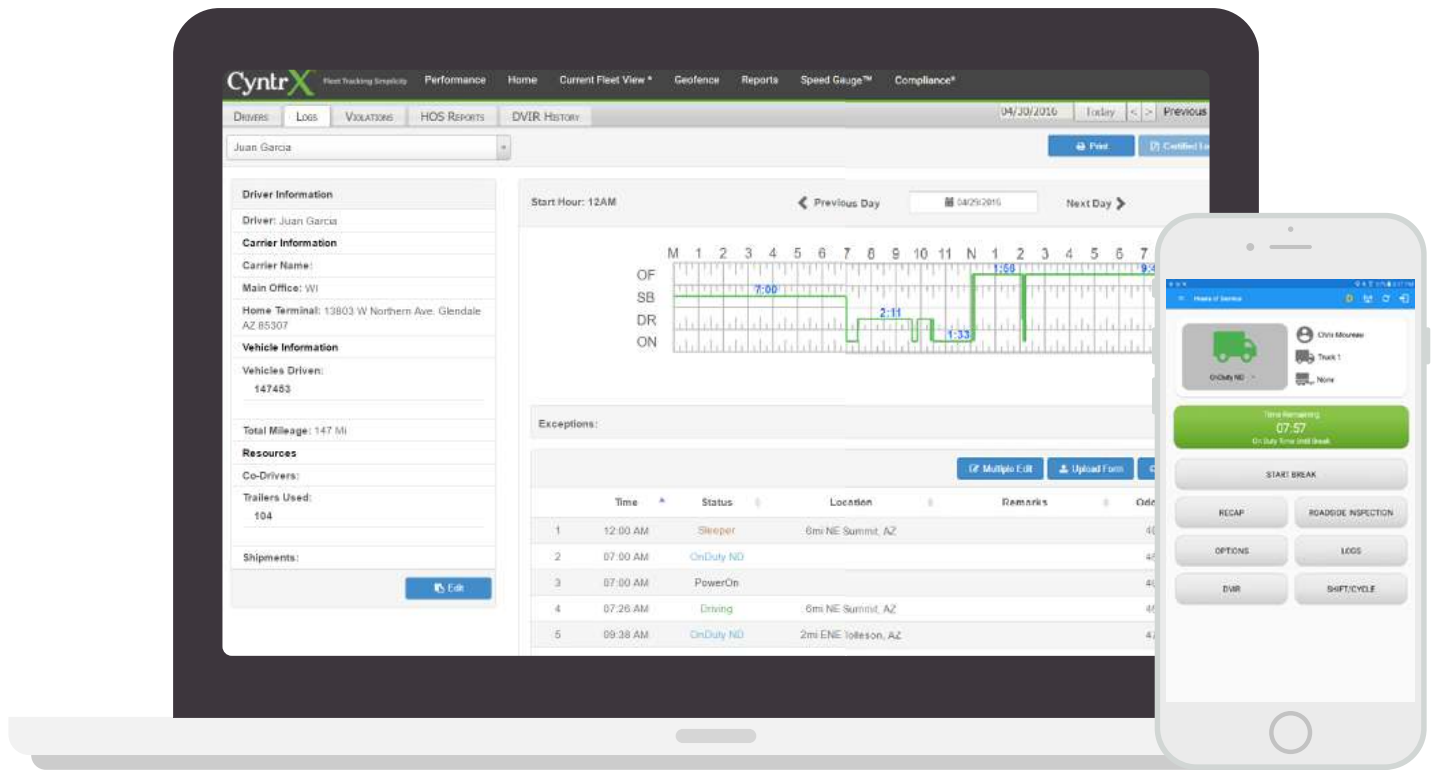

API Integrations Supported

Improve FMCSA scores (and lower costs) with this integrated service. Automated API delivery of shared data makes the process simple.

CyntrX Superior Steel Testimonial

"I fell in love with how easy and friendly the product is to use. The reports are immediate and useful and we have won contracts using CyntrX."

James Perkins, Fleet Operations, Superior Steel

For Fleet Managers: A Solution with Built-in Visibility

Full-featured fleet management suite gives fleet managers visibility into:

- ✓ Duty Status
- ✓ Driving Time
- ✓ Remaining Hours of Service

For Drivers: An App Built to Simplify ELD Compliance

User-friendly mobile app makes ELD compliance simple for drivers through:

- ✓ Automated Driver Logs
- ✓ Secure, Backed-up Data
- ✓ Supports Team Driving
