## ABOUT RDA ACCOUNTANTS

At RDA Accountants we guarantee high quality service and dedicated customer care at costs that can be afforded. We work closely with our clients to understand their needs, and we can tailor our methods and services to suit.

RDA operates out of four offices, Wexford, Carlow, Kilkenny and Dublin and our fifth office is our Website [www.rda.ie](http://www.rda.ie)

We have a skilled and versatile team of 22 professionals headed by **Paul Redmond, Managing Partner**. **Other Partners in the firm include Richard Smyth, George Skelton and Kevin O' Donnell**. **Marie Kenny is an Associate Partner** and heads up Client Services.

Our focus is to provide a service that businesses can depend on and trust and we have been doing this since 2002. At RDA we are equipped to tackle all manner of Accountancy, Taxation, Advisory and Corporate Finance projects, and we can boast of a rich and varied portfolio of work in all of these areas.

RDA Accountants has put in place a Digital Practice to help lead both ourselves and our clients into the future. We have put a lot of time and research into creating a model that allows for up to date information and reporting through the use of Cloud Accounting.
