## **Westfield, Indiana - The best of both worlds in the heart of the Midwest**

Westfield is the kind of town you would expect to find in the heart of the Midwest. Founded in the early 1800s by North Carolina Quakers, the town is believed to have been used as a stop on the Underground Railroad. Our town, located in Hamilton County, offers an outstanding cost of living, very close proximity to the state capital, Indianapolis, safe family-oriented lifestyle with great local and surrounding public and private schools.

Westfield is home to Grand Park, a 400-acre sports campus featuring 26 baseball and softball diamonds, 31 multipurpose fields for soccer, football, rugby, field hockey and lacrosse and is home to the Indianapolis Colts Official Training Camp. The campus also has an indoor events center that features three full-size multipurpose fields, and an indoor basketball and volleyball facility. Grand Park features an abundance of green space and more than 10 miles of pedestrian/bicycle trails, including the largest trailhead on the Monon Corridor.

Westfield is located in the Indianapolis Metropolitan Area and is approximately 25 miles from downtown. Being so close to the Indianapolis Metropolitan Area allows our employees to choose to live in the city or in the suburbs depending on their personal preference.

Indianapolis is close to many major colleges and universities including:

- Butler University
- Purdue University
- Indiana University

- Rose-Hulman Institute of Technology
