

DTS2 SERVICES: NOTARY PUBLIC

Rev. 201610

Overview:

This document will provide information on how to use the Notary Public search service in DTS2. This document covers the service only.

Note: Services are county specific and may not be available in every county. The availability of and parameters used for this service may change based upon the county involved. Additionally, DTS2 is a highly customizable application and your company may not have contracted for all available services or geographies.

Finally, your company may have setup specific settings that will affect how the search and reports function and display. Please check the Profile Menu > User Profile option for information on your company settings.

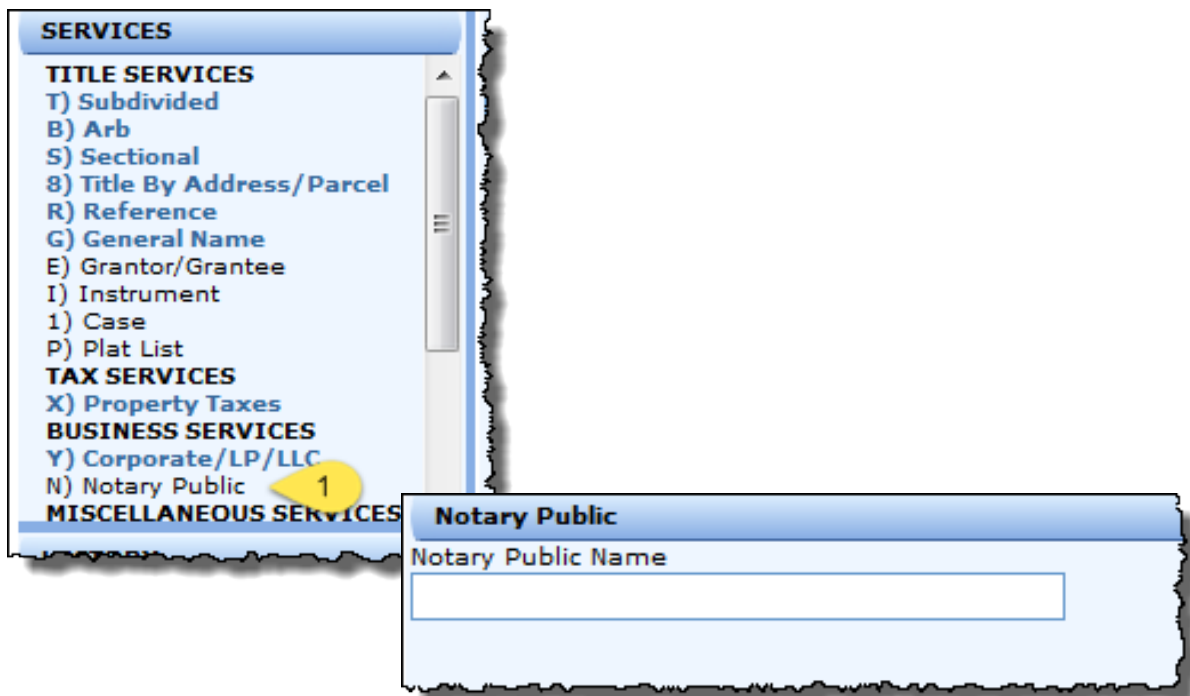

Notary Public Search Service

This service is found under the Business Services section in the left hand Services Panel. It is used to identify and provide basic notary information, such as mailing addresses, commission, and status (such as active or suspended).

Note: The service is specific to California counties, Maricopa, Arizona and Humboldt, Nevada. The service returns data that is unique to California.

General Information:

After selecting the service, enter the name of the notary and click Submit at the bottom right. The name should be entered with the last name, first name, and then the middle initial, if any. No punctuation is required.

The field includes automatic wild carding so the full name is not required. Entering the last name and the first initial will yield a list of matching names, for example, “Smith J” will return every name with a last name of Smith and a first name starting with J (lots of them). Entering only a last name will yield all notaries with that last name.

Single full name

The screenshot shows a web application interface for a Notary Public search. At the top left, there is a blue header with the text "Notary Public". Below it, a search box labeled "Notary Public Name" contains the text "pangilinan dennis". To the right of the search box, the text "SAN BERNARDINO, CA" is displayed. Below the search box, a status bar shows the date and time "10/11/2016 03:24PM W470", the page title "CALIFORNIA NOTARY PUBLIC INQUIRY", and "PAGE 1 OF 1". The main content area is a table with a light blue header row that reads "NOTARY PUBLIC INFORMATION UPDATED ON OCTOBER 06, 2016". The table contains the following information:

| NOTARY PUBLIC INFORMATION UPDATED ON OCTOBER 06, 2016 | |
