

APC INVITES YOU TO VISIT MARINELINE®
**See MarineLine® stand at Nor-Shipping 2017 in Oslo,
Norway, May 30-June 2 at Stand # D01-05.**

Nor-Shipping 2017 is the leading maritime event week. Its top-quality exhibition, high level conferences and prime networking opportunities attract the international maritime industry to Oslo for this event.

We look forward to talking with you about the latest developments of the MarineLine® tank coating system, including our competitive pricing position versus phenolic epoxy and similar coatings.

You will be able to meet and talk with representatives from MarineLine® / Advanced Polymer Coatings, Mr. Jan Slooter, Mr. Joe Harrington, and Mr. Janis Brunavs.

Nor-Shipping is a leading global event that continues to grow in influence and size that dates back to 1967. You can learn more about the show by visiting the [Nor-Shipping website](#).

Here's What Our Customers Say

"Our fleet of 4 new tankers, all employing the latest technologies, represents the future of shipping. That includes the MarineLine® cargo tank coating, with the best tank surface for easily switching cargoes."

— Trygve Möller
Managing Director
Terntank Ship Management AB

TERNTANK

"A well maintained MarineLine® cargo tank coating, with its very smooth surface, helps NST gain a quick turnaround in port, and provides effective cleaning from the wide range of products that we transport."

— Niclas Kappelin
Managing Director, North Sea Tankers

NORTHSEATANKERS
