TOMORROW'S SOLUTIONS TODAY

MAKING A DIFFERENCE BY GIVING BACK

A Message from APC President David Keehan - [See APC's new video on philanthropic gift giving.](#)

In [Issue #16 of the Imagineering newsletter](#)

we introduced APC's 4 Pillars that form the foundation of our business. The 'Money Matters' pillar emphasizes the financial responsibility in all our work. APC's management and employees believe strongly about paying it forward through charitable gift giving, philanthropic contributions, and personal service in our communities. To donate to any of these organizations, click on the red headings below.

[Toys for Tots Foundation](#)

This organization collects new toys and distributes them to less fortunate children at Christmas. APC and its employees and friends have been participating in this effort for many years collecting hundreds of toys in the process.

[CURE International](#)

APC supports this non-profit organization that operates charitable hospitals and programs for children in 14 countries worldwide, receiving surgical treatment regardless of gender, religion, or ethnicity. The children have conditions such as clubfoot, bowed legs, cleft lips, untreated burns, and hydrocephalus. Without treatment, they will have little hope for a future.

[St. Edward High School](#)

APC's management team supports this innovative high school and several of its specialized programs, including the pre-engineering and entrepreneurship programs, and others. Students learn the principles of engineering, innovation, product design, marketing, data analysis and sound business concepts.

[St. Jude Children's Research Hospital](#)

For more than 30 years, APC's management and employees have donated to help this special hospital, founded by Danny Thomas. Their mission is to advance cures, and means of prevention, for pediatric catastrophic diseases through research and treatment. No child is denied based on race, religion or a family's ability to pay.

[St. Augustine Hunger Center](#)

This unique mission in Cleveland, Ohio, has served many thousands of meals during Thanksgiving, Christmas and other times to individuals in local shelters, homeless encampments, and those who may be sick or homebound. For many years Keehan family members have worked in the kitchens preparing hot meals.

APC wishes our customers and friends a wonderful holiday season and best wishes for a successful 2020.
