SEPTEMBER PROMOTIONS

CHOOSE THE CHAMP

If any lucky contestant can predict the CHAMPION (first place finisher only) of the final 10 NASCAR races of the season, they race away the Grand Prize winner!

NERF TOSS

Our most popular football contest! Give one lucky fan a chance to win a new car. If they can throw a Nerf football through the open window or sunroof from 35 yards, they win the car!

TRUCK BED FIELD GOAL KICK

Another great idea for your local dealership! During halftime, randomly select a lucky fan to come onto the field. The finalist will attempt to kick a football into the bed of a pick-up truck. If the ball stays in, they win and we write the check!

EMMY AWARDS PREDICTION

Give customers the chance to win cash, cars or a trip to see their favorite stars! Prior to the start of the show, have finalists fill out an entry form and predict who will win the top ten (10) award categories. Select finalists from all the entries received. If any finalist correctly predicts the winners of the ten (10) categories, they win the Grand Prize!
