Groundhog Day Formal Dance

Goodwill's Community Opportunities Club South will be hosting its first Groundhog Day Dance at GSC on February 2. All Goodwill Day programs have been invited and the dance will be from 12 noon to 2 p.m. The music will be provided by one of our favorites, DJ Royal! Wear your Groundhog Day best (or just comfortable clothes) on this day. A light snack and refreshments will be provided for all of the participants. Please contact Jan Kruk at (414) 421-2328 if you have questions or concerns. Will Punxsutawney Phil see his shadow or not? Stay tuned...

Things Remembered in December Written by the Participants

We experienced many adventures and learned lots of things. We created memories like the holiday party where we danced, sang, and ate lots of good food. We toured interesting places. The Pabst Mansion, the Harley Davidson Factory, and let's not forget the Jelly Belly Tour! But our favorite place was the Volo Car Museum in Volo, Illinois. As the New Year begins we look forward to many more learning experiences and memories to be made!

Volunteer Spotlight Written by the Participants

On January 9th we went to volunteer at Robyn's Nest. Lona is great to work with; we spent an hour organizing and stocking shelves with shoes, shirts, pants, and jackets. It's rewarding to know that our help benefits many kids (who we don't even know) who have either been sick, neglected, or are financially disadvantaged. We always love to be out and about.

Creative Writing Group for February

On February 14th we celebrate Valentine's Day! Valentine's Day stands for true love and true friendship. People will go with their sweethearts for dinner, ice cream or maybe to an Admirals game. We will also show our love and affection to others by giving hugs and kisses, giving chocolate candy, Valentine's cards and notes, and going dancing! On Valentine's Day we like to wear red, purple or violet to show love. And when there is snow on the ground, we like to take our lovers out sledding in the snow and making snow angels together! There are plenty of fun and exciting things to on Valentine's Day!

Tony M. drew this colored pencil masterpiece of his dad wearing his winter jacket to keep him warm. Tony drew the heart that is seen on the bottom left of the drawing to symbolize how much he loves his father.

Happy Groundhog Day!
