"Where ever you go, no matter what the weather, always bring your own sunshine."

-Anthony J. D'Angelo

"The best love is the kind that awakens the soul; that makes us reach for more, that plants the fire in our hearts and brings peace to our minds. That's what I hope to give you forever."

-The Notebook

"The best thing to hold onto in life is each other."

-Audrey Hepburn

"Old Groundhog stretched in his leafy bed. He turned over slowly and then he said, "I wonder if spring is on the way, I'll go and check the weather today..."

Groundhog Day Formal Dance

Goodwill's Community Opportunities Club South will be hosting its first Groundhog Day Dance at GSC on February 2. All Goodwill Day programs have been invited and the dance will be from 12 noon to 2 p.m. The music will be provided by one of our favorites, DJ Royal! Wear your Groundhog Day best (or just comfortable clothes) on this day! A light snack and refreshments will be provided for all of the participants. Please contact Jan Kruk at (414) 421-2328 if you have questions or concerns. Will Punxsutawney Phil see his shadow or not? Stay tuned...

Poetry Club

Midway between winter and spring, a furry little fellow pops his head out of his winter home. Is it a groundhog? Maybe he's a woodchuck. Someone said it looked like a Whistle Pig! But everyone knows his name is Phil, Punxsutawney Phil. If it's a sunny day, Phil will see his shadow. Phil is a shy little guy. His shadow scares him, so he retreats back in his den for another six weeks. If it's cloudy he will come out and play, because spring is on its way! Let's hope it is a cloudy day or we will call him "Ground Chuck."

Creative Writing Group

On February 14th we celebrate Valentine's Day! Valentine's Day stands for true love and true friendship. People will go with their sweethearts for dinner, ice cream or maybe to an Admirals game. We will also show our love and affection to others by giving hugs and kisses, giving chocolate candy, Valentine's cards and notes, and going dancing! On Valentine's Day we like to wear red, purple or violet to show love. And when there is snow on the ground, we like to take our lovers out sledding in the snow and making snow angels together! There are plenty of fun and exciting things to on Valentine's Day!

Artwork Created by Tony M.

Tony M. drew this colored pencil masterpiece of his dad. His father is wearing his winter jacket to keep him warm from the inclement Wisconsin weather. Tony drew the heart that is seen on the bottom left of the drawing to symbolize how much he loves his father.

Happy Groundhog Day!

Angela, Glenda, Karen, Katie, Liz, Marvin, Melissa, Nicole, Ralph, Steve and all our participants!
