**February Staffings**

The following participants have scheduled annual staffings this month. If you are not able to attend, please contact Tina.

- Cindy W. – Wednesday, February 8 at 2:00 p.m.
- Lauren W. – Friday, February 10 at 2:00 p.m.
- Chris D. – Wednesday, February 22 at 10:00 a.m.
- Bridget C. – Friday, February 24 at 9:00 a.m.

**Participant Lunch Reminder**

Please make sure that you are sending in appropriate lunches for your participant. Food items should be sent in ready to eat, oranges peeled, and sandwiches cut. If your participant wants a warm lunch please send it already warm in a thermos as we are not able to heat up lunches. Lunches will be served at the temperature at which they are sent. Also, please keep in mind that the quantity of food sent in needs to be reasonable. Participants have 45 minutes to eat their lunches. If too many food items are sent in or if your participant does not want to eat a certain item, we will send it home in their lunch box. As far as beverages go, we serve sugar free juice and water. If you participant wants something other than those two options, please make sure you send it with them. We no longer have a soda machine for participants to purchase soft drinks.

**Valentine's Day Party**

On Tuesday, February 14, we will be celebrating Valentine's Day with a party. Participants are encouraged to wear the holiday colors (pink, red, purple, white). We will be having a snack with juice, playing and singing along to well-known love songs, as well as making a holiday-themed craft.

**Participant Council Meeting Minutes**

The first quarter Participant Council meeting was held on January 17 and facilitated by Tina. Participants in attendance were Bob, Justin, Maggie, Kristy, Alissa, Tracy, Ken, Bridget, Molly, Jenny, Steve T. and Chris J. Topics covered included health and safety, future outing options, personal space issues, behavioral expectations, and activities that were enjoyed and those that were not. The second quarter meeting will be held in April.

**Marquette University High School**

Our center will be hosting two students from Marquette University High School from February 20 through March 3. This two-week Shared Life Experience is a requirement for graduation and a great opportunity not only for the students but also for our participants.
