“Although no one can go back and make a brand new start, anyone can start from now and make a brand new ending.”

- Carl Bard

Holiday Closing

The day program will be closed on Monday, January 1 in recognition of the New Year. Please celebrate responsibly and we will see you back for regular programming on Tuesday, January 2.

Developing Goodwill

Are you thinking about including Goodwill in your estate plan? With a legacy gift to Goodwill, you can combine personal financial objectives with your giving priorities. Contact Cathy Girard, VP of Development, at 414-847-4172.

2018**Winter Weather Closures**

In the event that blizzard conditions, a large accumulation of snow, or extreme cold make travel hazardous, Goodwill Day Programs may close. Please consult your local news station and watch for the screen to say “Goodwill Day Programs Closed” during the Milwaukee County list of closures. Remember that transportation companies may be unable or unwilling to pick up participants with snow or ice-covered walkways and may follow different closure guidelines than Goodwill.

To help prevent slips, trips, and falls make sure participants are wearing shoes or boots with non-skid tread in good condition. Ultimately, it is up to the participant, home, transportation provider, and/or guardian to decide if it is safe to travel to day programming during other, non-closure weather conditions.

New Year, New Schedule

In an effort to improve the program, we will be making some minor schedule changes beginning January 1. In December, participants were surveyed for their resolutions, hopes, and dreams for 2018. Some common themes emerged: improved health, personal improvement, and the desire to be more social and more engaged.

In order to help participants meet their personal goals, we will be making the following changes:

- We will reduce from two smoke breaks to one. The program will eliminate the 9:45am smoke break. Participants will now only have access to a smoke break following lunch at 12:45pm.
- Joey will be starting a hygiene group with participants who wish to improve their personal hygiene. This will help them to make and keep more friends and to be ready for community employment.
- One-on-one academics will be brought back into the schedule and will be available to participants on Thursday and Friday afternoons.
- New classes focusing on nutrition, healthy lifestyle, and exposure to fruits and vegetables will be offered on Monday and Tuesday mornings.

Other activities and classes will remain in the schedule including job skills club, daily exercise, cooking classes, friendship club, art, and current events. Any questions or concerns about the new schedule can be addressed to Jenny or Whitney at (414) 259-7890

Happy Holidays!
