Birthday Wishes

Happy birthday to all those celebrating in March!

Label Jackets!

It is getting to be spring jacket season. Please make sure your name is written inside any jackets you may bring to the Club. We have had a few occasions of participants taking the wrong coats home when they look similar.

10602 Underwood Pkwy, Wauwatosa, WI 53226

(414) 259-7890 jennifer.houston@goodwillsew.com**New Entrance Finally Open**

After nearly eight months, the addition to the building is finally complete! This means that all participants, transportation companies, and guests must again use the front doors of the building. The driveway and doors on the west side of the building will revert to a fire exit and should not be used for casual entry or exit. Please feel free to stop by to see the new addition. The space includes a lobby waiting area, updated automatic doors, and a new conference room. The construction project also involved replacing all of the siding, windows and exterior doors throughout the building.

Goodbye Mary!

On February 24 we said goodbye to recreation assistant Mary. Mary left us for a new position within Goodwill. She will be a Skills Instructor in the Life Skills Development program, assisting young adults with the transition from high school to community employment. We wish her well with her future endeavors. The program is working with our human resources department to find a new recreation assistant.

An Exciting Month Ahead

Spring is a wonderful time of year. The temperatures are rising, the grass is turning green again, and everyone is ready to get back outdoors. This month we will be doing many activities related to the upcoming St. Patrick's Day holiday. In art class we will be creating several shamrock and rainbow themed items. Our cooking class will be baking authentic Irish soda bread. After our meal of corned beef and cabbage on Wednesday, March 15, we will be cooking Reuben sandwiches and making a Reuben dip. In order to enjoy nice weather, we will be doing a couple outdoor clean-up events to beautify our “back yard.” Participants will enjoy walking on the paved path, playing basketball, challenging one another to the Frisbee golf course, and relaxing on the swings.

Happy St. Patrick's Day from Jenny, Whitney, Wanda and Angie!
