January Attendance Stars Announced

A total of 39 Club members had perfect attendance in January! Club members who call in or inform us when they take vacation days, or take a day off due to doctor appointments, are excused. Planned vacation days off don't count against their attendance record. Bobby, Mike B., Melissa, Jessie B., Ken C., Jerry C., Mary F., Michael G., Cheryl H., Noelle J., Linda J., Todd, Tom K., Rebecca, Suzie, Roberto, Nick, Sally, Noah, Chris M., Mary Kate, Mike N., LeeAnn, Steve, Dora, Scott, Marvin, Carol R., Josie, Robert S., Bill S., Gary, Chris S., John S., Al, David W. Paul W., Paul Wz., and Sandy Z. are the Attendance Stars! February Attendance Stars will be announced in the April newsletter.

We are Proud of Mike N. – Goodwill Success Story

We are proud of all our members here at COC South. This month we will be taking special notice of Mike N. Mike was premiered during the state of the organization address by Jackie Halberg on Wednesday February 15 at JOW. Goodwill will be recognizing Mike's ability to overcome life's hardships with unrelenting determination. The past two years for Mike have been extremely challenging emotionally, physically and spiritually. Every set-back Mike experienced became, for Mike, a time to "revolt" and fight for a good outcome. Each challenge became an opportunity for Mike to rise with determination that he describes as "slaying dragons." Each challenge that Mike viewed as a "dragon" needed to be slain. We are all proud to have supported Mike here at COC South in small and big ways. Congratulations, Dragon Slayer, Michael N.!

Early Spring Activities

While most folks think of March as a cold, wintery month, we choose to celebrate it as early spring. Daylight Saving Time begins on March 12 and the longer days are welcome after the long, dark winter nights. A mere week later, March 20, is the first day of spring, and we are looking forward to getting out into the fresh air. We know that March comes in like a lion, and that may mean snow, rain and brisk winds. We'll wait for a milder day near the end of the month to take a nature walk at the Scout Lake Park to look for the first new plant growth of the season. Everyone at the Club will congratulate each other on making it through another Wisconsin winter!

Very Early Spring Greetings!

Jan, Jessica, Trish, Vicky, Linda & Club Members
