Quotes to Remember

*"I value humor, kindness,
and the ability to tell a
good story far more than
money, status, or the kind
of car someone drives."*

-Rebecca Wells

*"In the spring, at the end
of the day, you should
smell like dirt."*

-Margaret Atwood

*"Treat everyone with
politeness even those who
are rude to you. Not
because they are not nice,
but because YOU are
nice."*

**GSC Day Services**5400 South 60th Street, Greendale, WI 53129(414) 847-1991 nicole.michalak@goodwillsew.com**February Highlights - Written by Legacy Participants**

Even though February is the shortest month of the year, we sure packed it with many fun activities. Goodwill's Community Opportunity Club South hosted a Groundhog Day Dance at GSC. We enjoyed Groundhog cupcakes and Bundt cakes, while listening to music played by DJ Royal. We had coffee and pastry at Bluemel's, shopped for fun stuff at American Science & Surplus, viewed Steve's (GSC's Recreation Assistant) toy collection at the Kenosha History Center, and appreciated the Melodies & Memories exhibit at the Milwaukee Historical Society. We are looking forward to the first day of spring!

New Recreation Assistant in GSC Legacy Program

We are pleased to announce that Legacy Day Program has a new Recreation Assistant, Lily, who began employment on January 27. Lillian has come to Goodwill with years of experience working in day programs. Lillian loves to do crafts and will be hosting a new cooking class called La Cocina de Lily. Welcome Lily!

Casino Day at GSC

GSC's Legacy Day and Life Skills Development programs will be hosting their first Casino Day on March 22. All Goodwill Day programs are invited to this Vegas-style day. Just remember that "the queen of hearts is always your best bet!"

GSC Creative Writing Group

March means the air starts to warm, the snow starts to melt, the grass turns green, the trees turn green, and rain, lightning, and thunder come out of the clouds. The Brewers are playing in Arizona. College basketball's "March Madness" occurs to determine the national champion; go Badgers! We all get to go outside to walk, play basketball, and enjoy the sun come March. In March, winter turns into spring, and with Daylight Savings Day we have even longer days as we are "springing" towards summer!

Lisa S. captures the excitement of Abstract Expressionism in her flower drawings. Her bright palette allows her flowers to "jump" right off the page!
