**Reminders**

Goodwill hours for participants are 8:00 a.m. to 3:00 p.m. daily.

Participants should bring a cold, ready-to-eat lunch each day. The first and third Wednesday of each month we provide a lunch.

Please let us know of any appointments your participant may have. We don't want to be on an outing when you come to pick up. Thank you.

**Developing Goodwill**

Are you thinking about including Goodwill in your estate plan? With a legacy gift to Goodwill, you can combine personal financial objectives with your giving priorities. Contact Emily Capelle, Sr. Development Manager, at 414-847-4173.

**Staffings**

Christine S. – 9/25 at 1:00 p.m.

Please notify your Case Manager if you are unable to attend. Thank you.

**Happy Labor Day!**

Goodwill Day Services programs will be closed on Monday, September 4, for the holiday. Please make note for any staffing you might need to arrange.

**Upcoming Events**

Save the date for the annual Fashion Show. It will be held on October 20. Our Club will have four models this year. Invites will be mailed out next month with all the information. In November we will be having the Annual Holiday Bazaar. Watch out for invites for that, too!

**September's Events**

We will be going over the Club Rules at the beginning of the month. This will be a good reminder for our members. We will try our hand at microwave cooking. We have our wonderful volunteer Cindy who teaches yoga on Wednesday mornings. Cindy has been a great help during our mornings. Of course we will be making our Packer Picks for the season. Let's see who can predict the outcomes the best by Super Bowl time. This month we will be helping out the Humane Society by making doggie treats. We will then deliver them all packaged up. If you have a good recipe that you are willing to share, please send it in. We now have a Wii game station with a few games. The Club members will be showing the staff how to use it and will probably need to show us how to set it up, too! We will be remembering all those folks on 9-11 and the impact it had on our country. Carleen has been creating a variety of word searches for the members to work on. Carleen has created one on presidents, states, games and the Wizard of Oz. These have been a lot of fun!

**New Kitchen**

You may have noticed the disarray in our programming area last month. We had construction going on in the kitchen area. We now have an almost completely new kitchen to create delicious lunches or other goodies at the Club. Come and take a peek!

**Have a Great Labor Day Weekend!**
