**August Recap**

The participants and staff in Day Services took advantage of many of the fantastic opportunities offered around Milwaukee during the month of August. We attended State Fair on August 3 and 7 and enjoyed sampling the famous cream puffs, as well as some of the other interesting (and often deep-fried!) foods. We also were able to attend this year's Sail Away trip on Lake Michigan on August 11. Another of our favorite outings in August was our visit to the Cedar Springs Trout Farm. Everyone who attended went home with freshly-caught fish. We also were able to spend some time exploring Wisconsin's favorite pastimes: Milwaukee Brewers baseball and Green Bay Packers football! On August 16 participants and staff attended a game at Miller Park and saw the Brewers take on the Pirates, and they had the opportunity to tailgate beforehand with Recreation Assistants Louis F. and Kim H. On August 22 we visited Lambeau Field and were treated to a Hall of Fame tour and a tasty meal at 1919 Kitchen and Tab restaurant. Everyone looked great decked out in their Packers gear and had a blast!

**Upcoming Events in September**

On Thursday, September 7, Day Services and Life Skills Development programs will be celebrating the end of summer and the beginning of football season with our "Ready for Some Football Tailgate Party." We will be offering a hot meal to participants as part of our celebration. Please watch for more information about this event to come home with participants in the next few weeks. We will be participating again in the semi-annual Goodwill Sale. Participants and staff will be collecting donated items and distributing coupons for Boston Store on September 13 and 25. If you would like to learn more about this event or about volunteering, you can find information on Goodwill's website at [www.goodwillsew.com](http://www.goodwillsew.com).
