This policy will be drawn to the attention of all new employees as part of their induction. It is the duty of each employee to take reasonable care of their own and other people's health, safety and welfare, to familiarise themselves with and implement company procedures and to report any shortcomings in the arrangements.

It is the responsibility of the Managing Director to monitor the effective implementation of this policy and ensure that adequate resources are provided.

This Health and Safety Policy Statement and the Organisation and Arrangements documents which support it, will be reviewed at least annually and more frequently where there have been changes in the organisation or the activities undertaken.
